**Event and Committee Reports**

~ The Dalhart Mud Bog went smooth. It was a great mud bog and good pit. Local cheerleaders charged \$5 at the gate to raise money like last year. There were 40-50 entries and money was only paid to 1<sup>st</sup> place winners. There was lots of help from town's people.

## **Old Business**

~An alternate option for the kid's summer party was discussed. (The Outlaw Party at Granny and Pop's is still on). Jody brought up getting the kids wrist bands for all Outlaw member's kids for the upcoming Tri-State Fair and have an Outlaw Night at the Fair. If you're an Outlaw member with kids K-12 and want to join us please RSVP at the September meeting. It was also discussed that the Outlaws would pay the adult's gate admission that wish to join us. Kids can use their student passes at the gate. Kathy made a motion to go forward with this plan and Granny seconded.

~Muddin for Ta-tas is still a go for October 2<sup>nd</sup>. Everything is in the works. We need an announcer and are still trying to line up some cook off teams. There will absolutely **NO** men drivers. This is an ALL women mud bog. Once the crowds have cleared out there will be and Outlaw ONLY after party. All monies raised will go back to the Ride for a Cure.

~Tri State Fair Parade - Tome has had some things come up and had to step down as chair person for this event. TORA would like for all area off-road clubs to enter the parade as a whole. It would make a strong statement to the City of Amarillo. Stomper made a motion to withdraw our form from the entry and join with TORA. Ricky made a motion to be in the parade with other local off-road clubs and Granny seconded.

## **New Business**

~Club Camera - the camera that was purchased for the club did not work out well at the Dalhart mud bog. Nicole made a motion to buy a better camera and return the camera that was purchased and to put a \$500 limit to buy the new camera, memory card, and battery. Gene seconded the motion.

~Dues - Kathy made a motion to set dues the same as last year at \$30 per family for a year and \$15 for associate membership. Gene seconded the motion. Next month's meeting we will be nominating officers for the 2010-2011 board. If you want to vote on the new board you need to make sure and pay your dues no later than the October meeting.

~Mudmadness is hosting a mud bog at the Tulia fairgrounds on September 11. They will have mega trucks. Tech in will begin at 9 am.

## **There not being anymore business or discussion,**

Stomper made the motion to adjourn the meeting, Kathy seconded. Motion carried and President Jody Reeve adjourned the meeting at 8:31 p.m.
